John Ward Creek Crossing Closed to Horseback Riders

Kennesaw, GA – Effective immediately, the John Ward Creek crossing just south of the Illinois Monument is closed to horseback riders until further notice. This closure stems from a safety concern due to hazardous conditions relating to an unstable streambed. The closure affects the creek crossing between Milepost 3.5 and Milepost 4 of the Kolb’s Farm East Trail.

Superintendent Patrick Gamman states, “We are concerned for the safety of all park users. Crossing John Ward Creek at this section of the trail poses a risk that we want to alert our horse community to, as it could potentially cause harm to both horse and rider. We will be working as quickly as possible to mitigate this problem.”

Please contact the park at 770-427-4686 or visit the park’s website at www.nps.gov/kemo for further information.
